CA Funds Group Serves as Advisor to \$150 Million Seniors Housing Fund

CA Funds Group, Inc., a sister company of Christenson Advisors LLC, is pleased to announce that it served as the exclusive financial advisor to R.D. Merrill Company, Inc., a well known national leader in the development and operation of seniors housing and multifamily assets, in the formation of a \$150 million development fund. The new venture has been formed with Heitman, a global real estate investment management firm, to facilitate the creation of a niche-oriented, multi-asset real estate portfolio, primarily through the development of Merrill Gardens branded independent and assisted living communities.

CA Funds Group, Inc., an SEC registered broker dealer and member of FINRA, focuses exclusively on institutional capital raising and financial advisory services to the real estate industry.
